

Short-Form Investment (Bond Proceeds Only)

1.0 Policy Statement

Oregon Revised Statutes Section 294.135 and 294.052 generally requires a local government to have its investment policy reviewed by the Oregon Short Term Fund Board (“OSTFB”) before the local government adopts the policy and makes investments that are longer than 18 months from their purchase date. The Lincoln County School District may wish to invest its bond proceeds longer than 18 months to match investment maturity dates to the expected schedule for payment of construction costs. The OSTFB has made this short-form policy available to local governments that desire to invest only bond proceeds or bond related funds described in ORS 294.052 for more than 18 months, and that desire expedited review by the OSTFB before the investment policy is adopted. This short-form policy contains very substantial limitations and does not provide the Entity with the controls or flexibility that a comprehensive investment policy should provide.
