LINCOLN COUNTY SCHOOL  
DISTRICT

Code: **EGACA**  
Adopted: 7/9/02

## Cellular Telephones

It is the policy of the district that the use of cellular telephones may be appropriate to provide for the effective and efficient operation of the district and to help ensure safety and security of district staff and others on district property or engaged in district-sponsored activities. However, this policy does not authorize the purchase and employee use of cellular telephones as deemed appropriate by the superintendent or his/her designee.

District-owned cellular telephones shall be used for district business. Personal use of such telephones is prohibited. Any charges incurred for such personal use shall be the responsibility of the employee.

Use of cellular telephones in violation of district administrative regulations, state and federal laws, or other applicable laws may result in discipline up to and including dismissal or referral to law enforcement as appropriate.

The superintendent or designee is directed to develop administrative regulations for the implementation of this policy, including a uniform and controlled system for identifying employee cellular telephone use and monitoring use. Provisions may also be included for staff use of privately-owned cellular telephones for district business.
