Orig. Code(s): 3516

### **Staff Health and Safety**

The Board authorizes the superintendent to take appropriate means to provide for the health and safety of all employees while engaged in the performance of their duties.

The superintendent or designee, in consultation with district and building safety committees, will develop training and written procedures necessary to accomplish this goal and to meet the requirements of the law.

All employees will be trained to recognize and respond appropriately to the presence of hazardous materials.

All employees shall conduct their work in compliance with the safety rules of the district.
