Cyberbullying

The Board is committed to providing a positive and productive learning and working environment. Any form of harassment using electronic devices, commonly known as “cyberbullying,” by staff, students or third parties is prohibited and will not be tolerated in the district. “Cyberbullying” is the use of any electronic communication device to convey a message in any form (text, image, audio or video) that defames, intimidates, harasses or is otherwise intended to harm, insult or humiliate another in a deliberate, repeated or hostile and unwanted manner under a person’s true or false identity. In addition, any communication of this form which disrupts or prevents a safe and positive educational or working environment may also be considered cyberbullying. Staff and students will refrain from using personal communication devices or district property to harass or stalk another.

The district will take any report of cyberbullying seriously and will investigate credible reports promptly. Students are encouraged to report an incident immediately to a teacher or principal, who will take appropriate action. Students who make a report are expected, but not required, to preserve evidence of cyberbullying. For example, a student may save or bring a copy of an email, text message, picture or other electronic transmission that the student believes was intended harm, insult, or humiliate.

The district may revoke the privilege of a student or third party, who uses district equipment or electronic communication system to engage in cyberbullying, to use any district electronic equipment under the procedures for policy IIBGA – Electronic Communication System. The district may revoke the privilege of a student or third party, who uses a personal communication device to engage in cyberbullying, to bring any personal communication device on district property or district-sponsored activities under policy JFCEB – Personal Communication Devices.

Students whose behavior is found to be in violation of this policy will be subject to loss of privileges, discipline, up to and including expulsion. Staff whose behavior is found to be in violation of this policy will be subject to discipline, up to and including dismissal. Third parties whose behavior is found to be in violation of this policy will be subject to appropriate sanctions as determined and imposed by the superintendent or Board. The district may also report individuals to law enforcement if necessary.
