

JFCH/JFCI Alcohol and Other Drug Use

LINCOLN COUNTY SCHOOL
DISTRICT

Code: **JFCH/JFCI**
Adopted: 11/24/92
Readopted: 7/9/02
Orig. Code(s):5130

Alcohol and Other Drug Use

The district recognizes that students often need education and assistance because a person significant to them is afflicted with chemical dependency, or because they require support in their own decisions not to use or abuse alcohol and/or other drugs. Since chemical dependency is frequently preceded by the abuse of alcohol and other drugs, the school system wishes to provide education and assistance to any student displaying the signs of such harmful involvement.

The district recognizes that chemical use may evolve into chemical dependency, a serious illness, which can be successfully treated if identified early, if appropriate referral to community agencies is made and if adequate support is afforded those who are in the process of recovery.

It should be understood by parents, students and staff that all school rules and regulations or state and federal laws will be vigorously enforced by school officials.

The consequences for student use, possession or distribution of a controlled substance and/or a dangerous drug or an imitation controlled substance or possession of "drug paraphernalia" are included in the Student Code of Conduct.
