Board Report | Facilities
April 2022

Facilities Happenings this past month:

- MP stage has been painted. It is gray and no longer the yellow we have all come to love. Trim for the elementary is 90% completed. We have started to replace out T8 bulbs with LED bulbs. This will save the school money along with giving us a rebate from CPI.

Facilities: On the radar for the next month:

- We are still working with Mr. West on the RFP for the school siding project. I am making plans for our summer projects for the school. We will be starting some preventative maintenance on our equipment. Brier control and yard work will soon be starting in full when we have some dry weather.
